Please list all food and beverage items (you may attach a separate list, but please do not just attach a menu). To best maximize the Garlic Fest experience for the guests as well as all food vendors, please limit your main menu offerings to four items which must be garlic related.

All Garlic Fest Food is subject to approval by management, as we work hard to eliminate duplications and items not in the spirit of Garlic Fest. Items not pre-approved but brought to Garlic Fest must be removed before you can open. PLEASE NOTE: Signage must prominently highlight your Garlic items, and be readable from a distance. Please do not just add the word Garlic to your existing menu board. You will be contacted if there are any issues or questions.
